# Youth View the Bicentennial

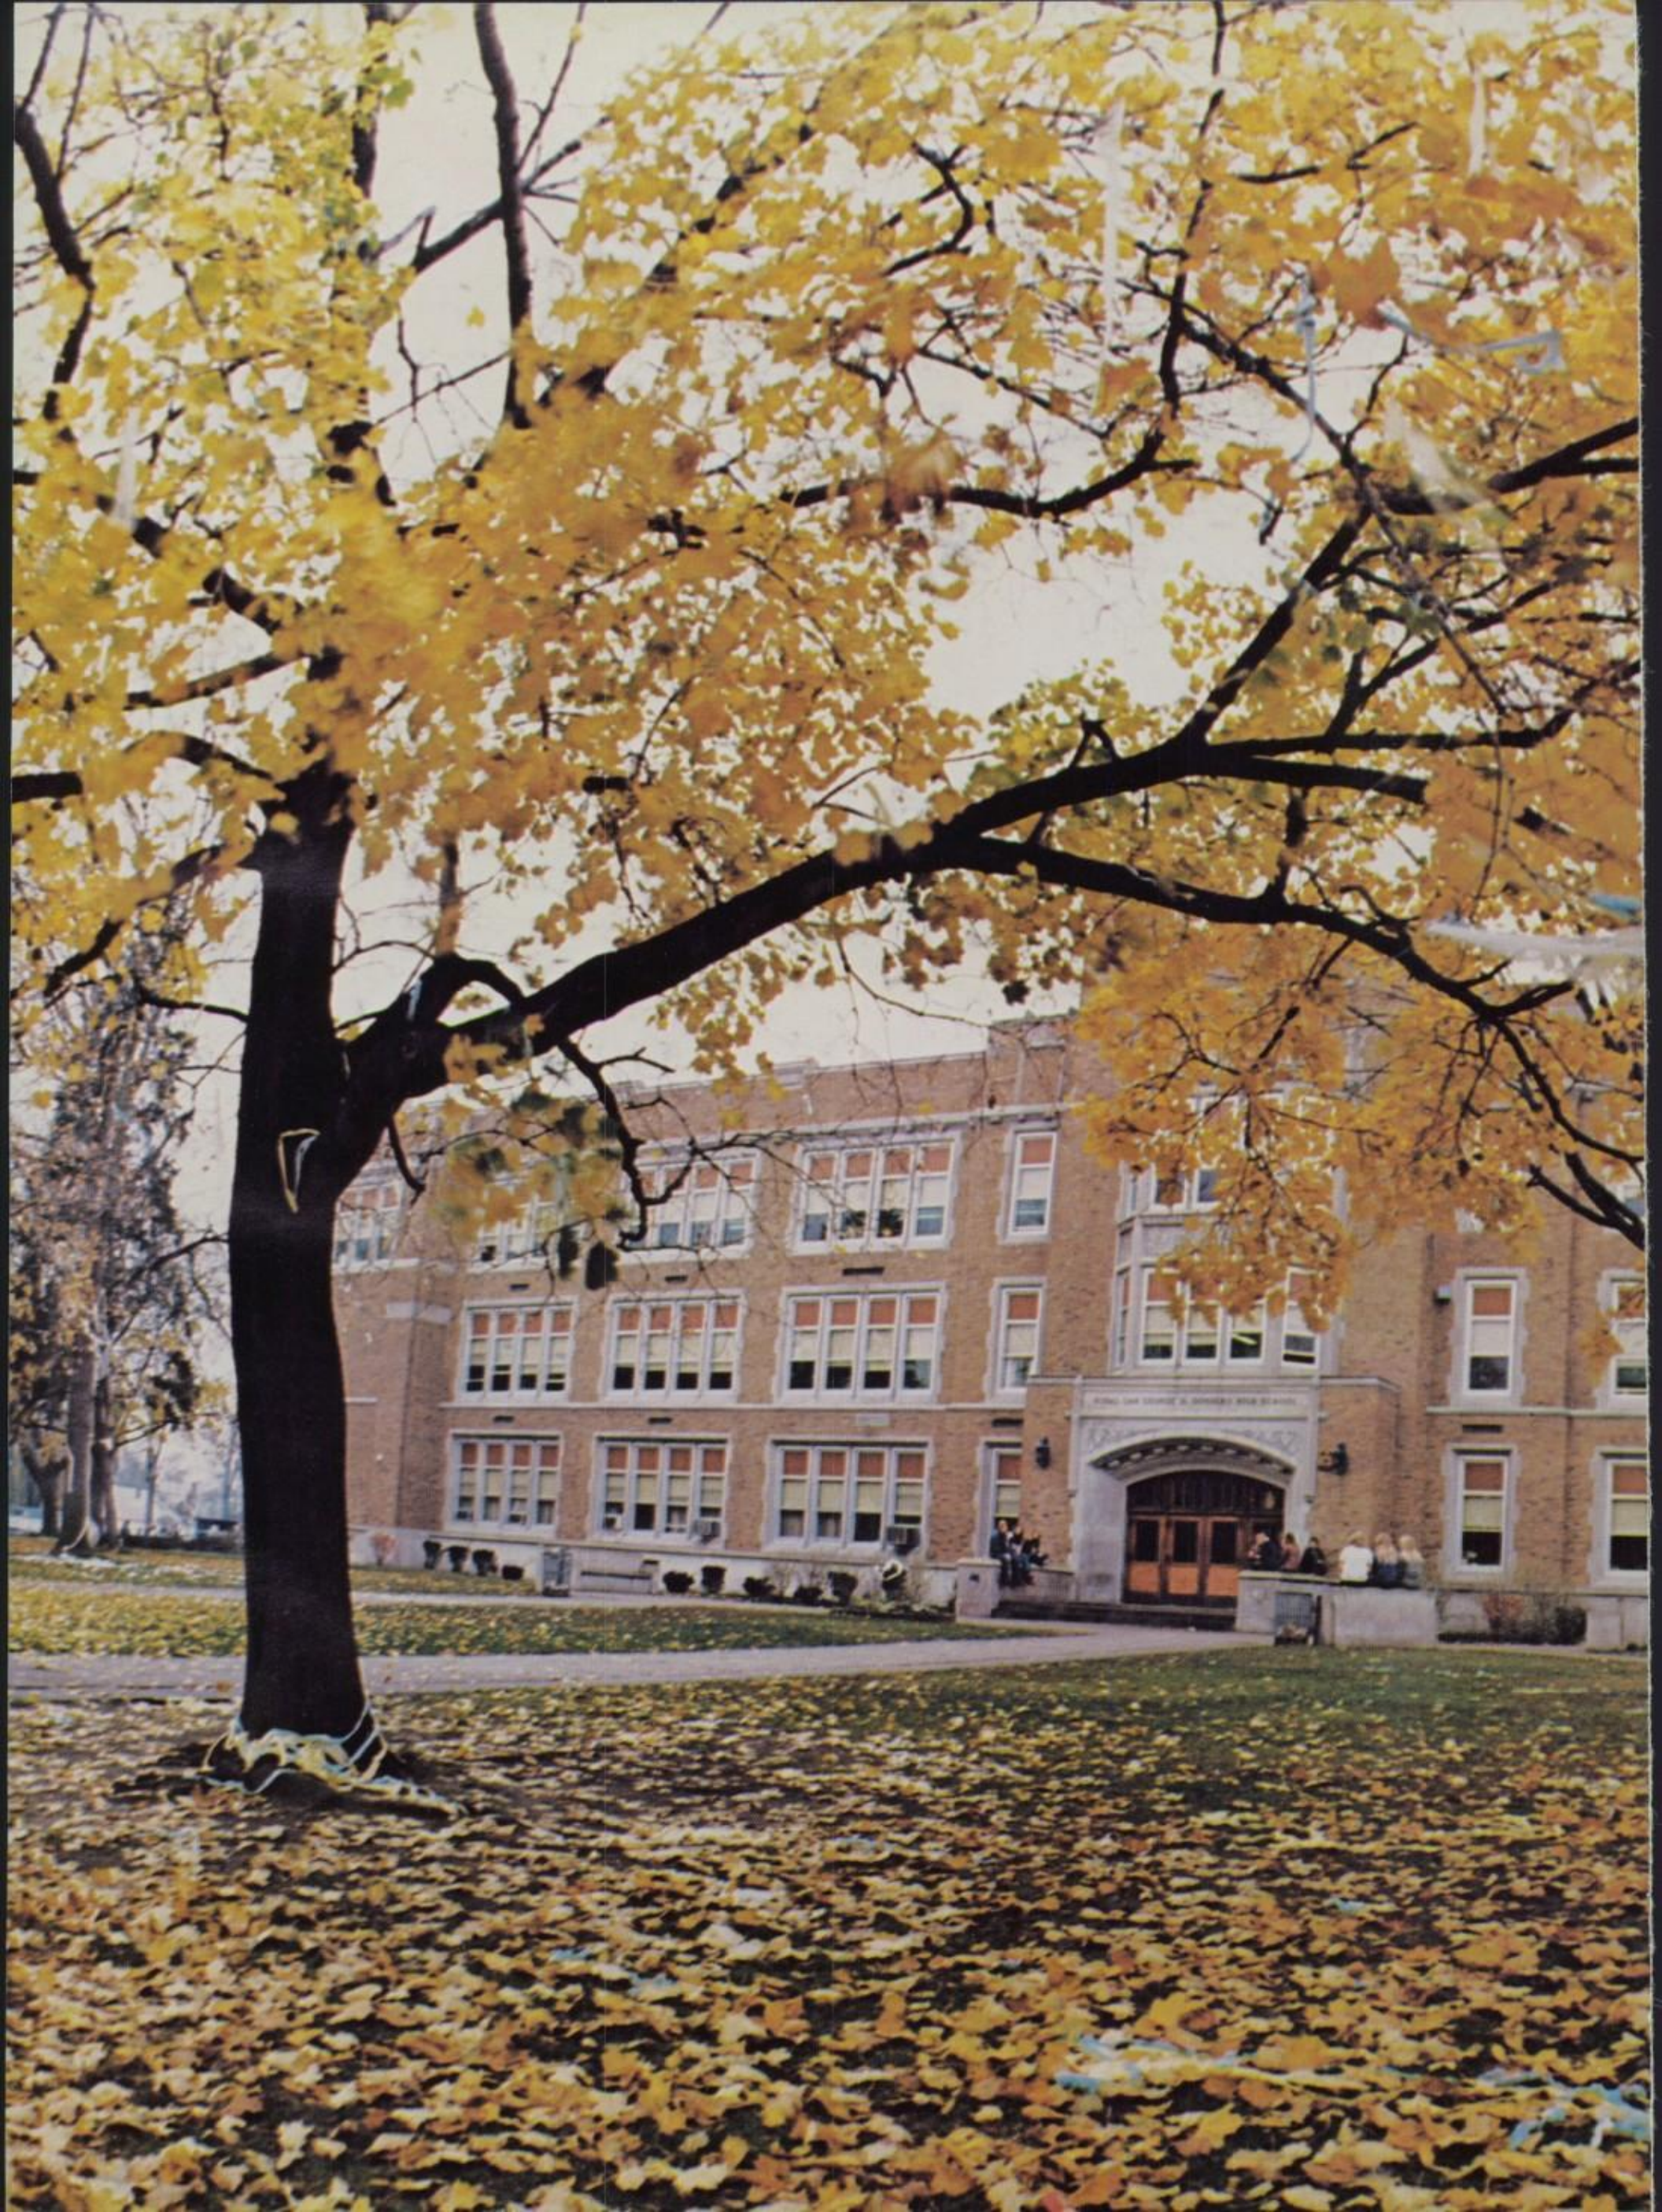
The fate of the country . . . does not depend on what kind of paper you drop into the ballot box once a year, but on what kind of man you drop from your chamber into the street every morning.

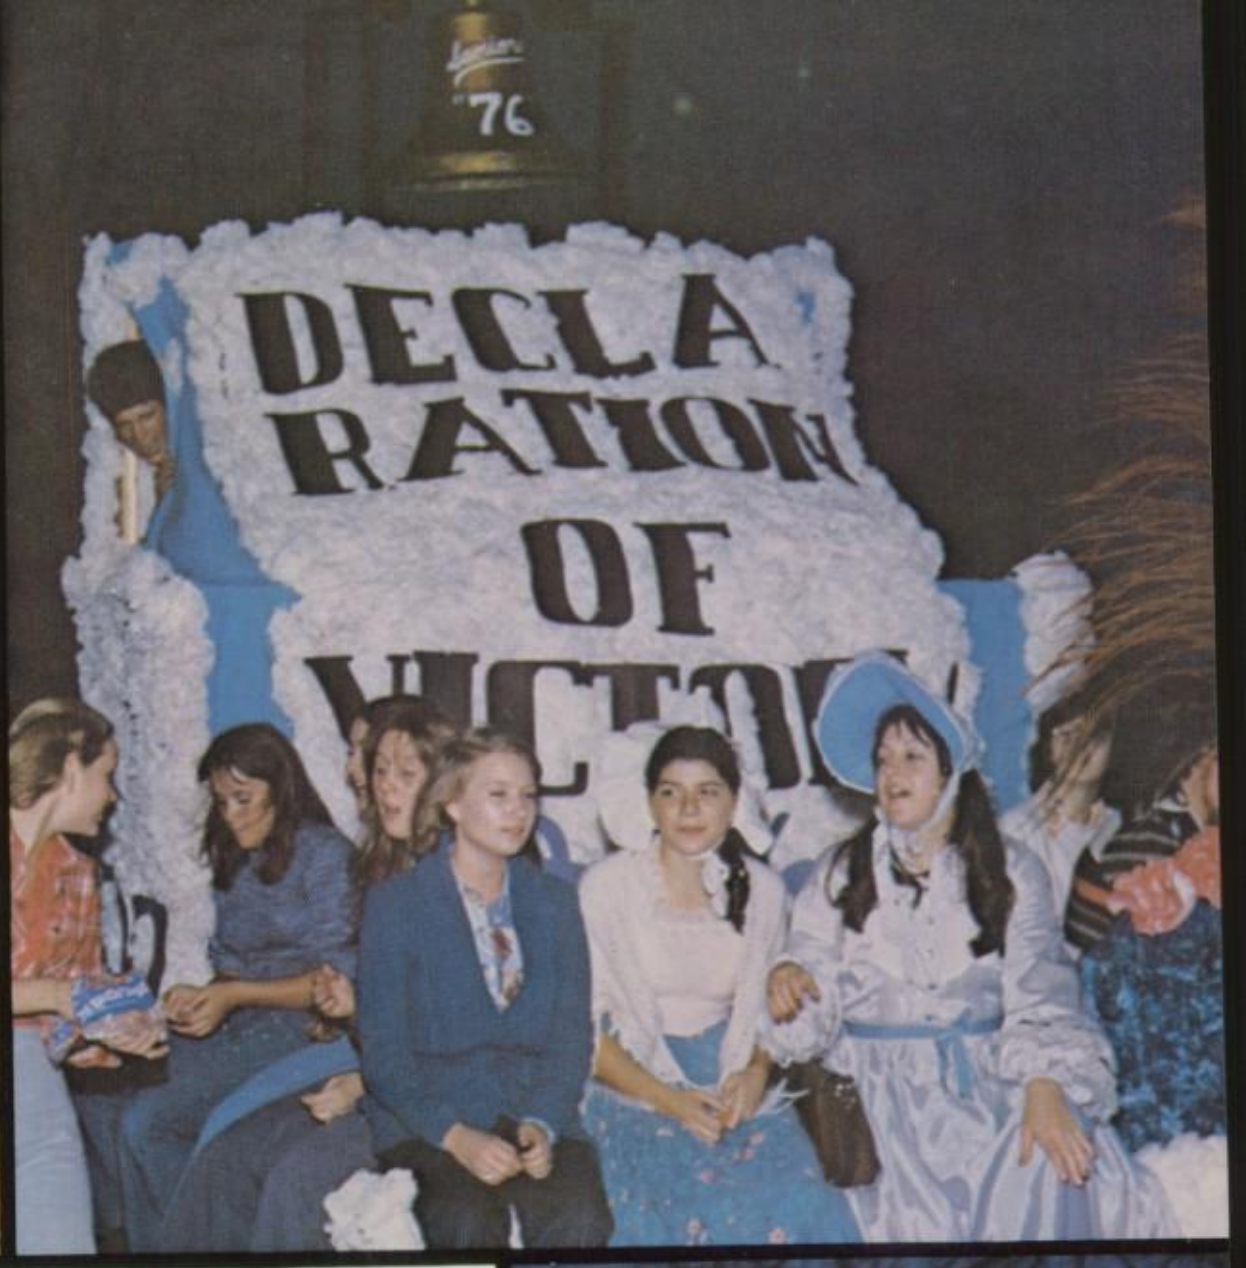
—Thoreau

Some people look at a country and think of the great, the leaders, the politicians. But the success of America depends more on the everyday actions of its people.

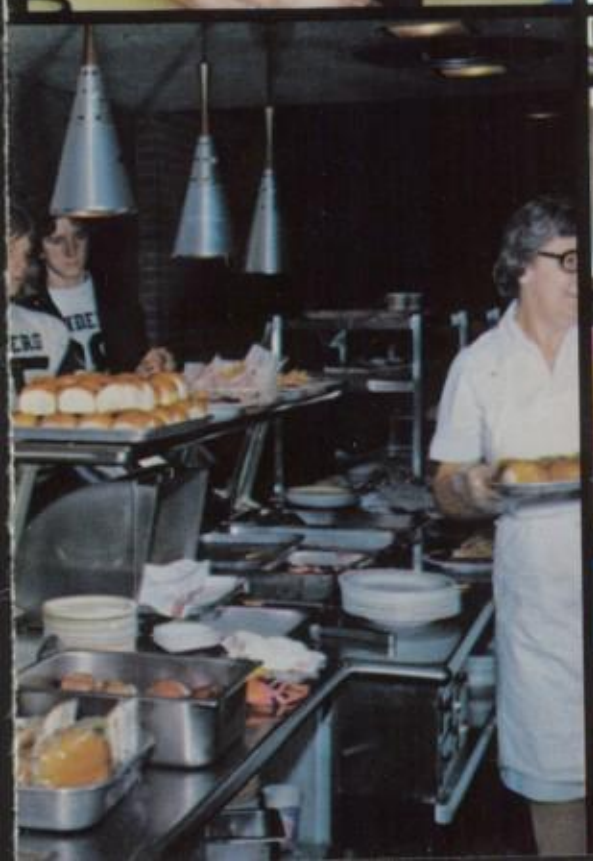
Our education is a major avenue for making better citizens. As Dondero High School's motto says, "Enter here to learn, go forth to serve." With the future more dependent on their efforts than the past, the youth of America celebrate the Bicentennial with forward-looking hopes rather than backward-looking dreams.

It is common sense
to take a method and try it.
If it fails admit it frankly
and try another.
But, above all, try something.
—Franklin Roosevelt





. . . the torch has been passed
to a new generation of Americans—
born in this century,
tempered by war
disciplined by a hard and bitter peace,
proud of our ancient heritage . . .
—John Kennedy



An army of principles

where an army of soldiers
cannot.

# '75-'76 in the World

The year 1975-76 will probably be remembered as a year of recovery and optimism for the United States. A sense of rebirth seemed to be felt by the American people, as plans were made to celebrate our nation's 200th birthday. The economy began to thrive again, buoyed by the confidence of the American people. President Gerald Ford welcomed Emperor Hirohito and his wife of Japan on their visit to the U. S. New York City was saved from financial default by last-minute aid from the government, and only the outbreak of fighting in Angola caused a new worry on the world scene.

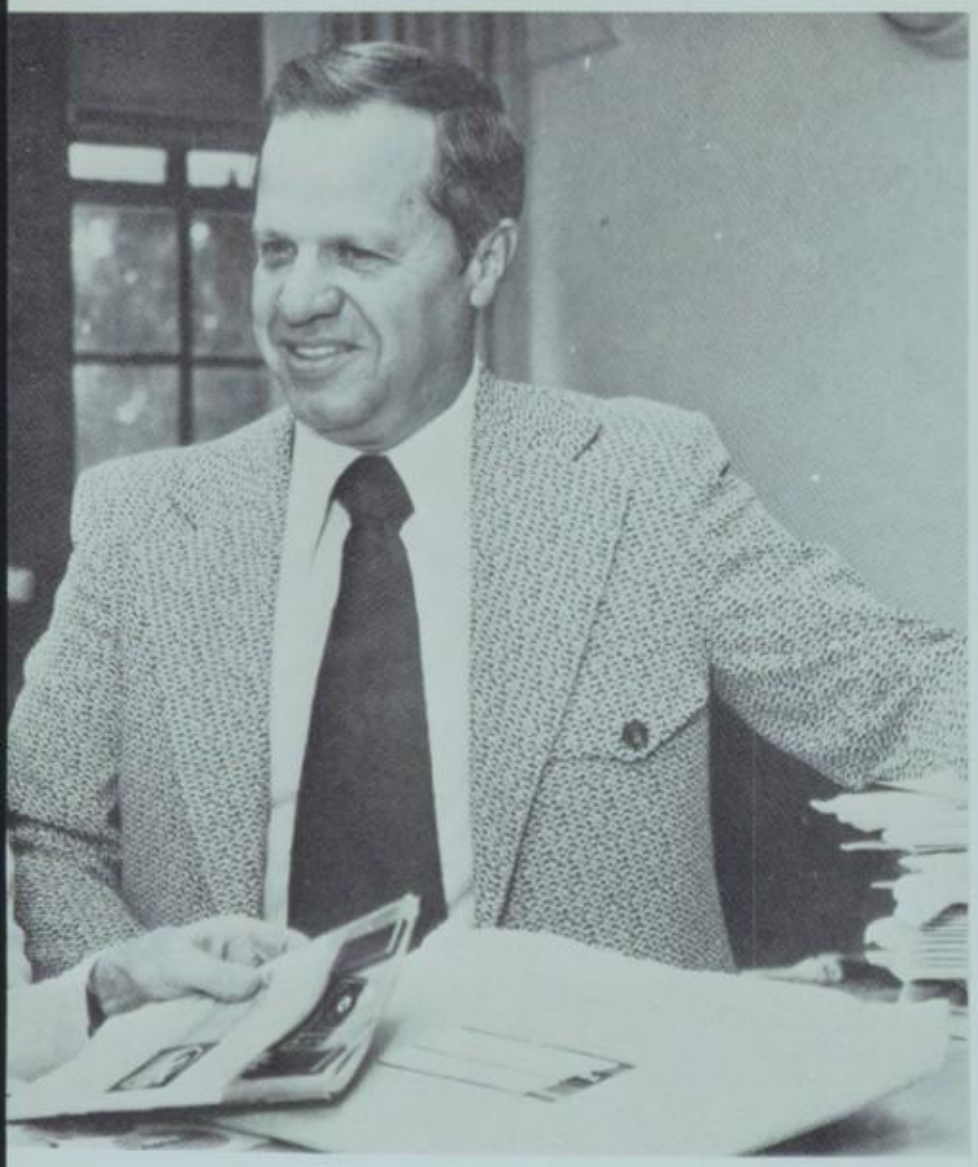
In the world of sports, continuity was the key, as Jack Nicklaus won two of four major golf championships, Muhammed Ali retained his heavyweight boxing title, and the Pittsburgh Steelers won the Superbowl again. But the year saw a new Winter Olympics in Austria and this summer in Montreal. Dominant personalities were U. S. Ambassador to the U.N. Patrick Moynihan, Alesandr Solzhenitsyn who won the Nobel Prize for Literature, and the ever-present Kennedys. Supreme Court Justice William O. Douglas resigned, and Patty Hearst was apprehended and tried.

In the arts, musicians like Bob Dylan and Joan Baez and groups like Chicago were still giving concerts. One of the year's top movies was "The Sunshine Boys".

Above all, 1975-76 should be remembered as a year America seemed to come alive with an enthusiastic celebration of the Bicentennial and renewed promise for the future.

We never stop to wonder
till a person's gone
we never yearn
to know him
till he's traveled on
when someone is around us
we never stop to ask
hey what's behind your mirror
hey who's beneath your mask
we never stop to wonder
till a person's gone
we never yearn
to know him
till he's packed
and traveled on . . .

—Dory Previn



In October, 1975 Dondero High School lost a principal and a friend. Jack Shader died but he will not be forgotten. Mr. Shader was born in Royal Oak a half century earlier and had culminated a career in education by being appointed principal of Dondero in 1970. Mr. Shader took great pride in Dondero and its students and was the catalyst behind Dondero's continuing evolvement in better education. He was an outgoing energetic man who loved to socialize with students both during and after school. Perhaps by exemplifying Mr. Shader's optimism and ideals is the best way we, the students of Dondero, could pay tribute to him.

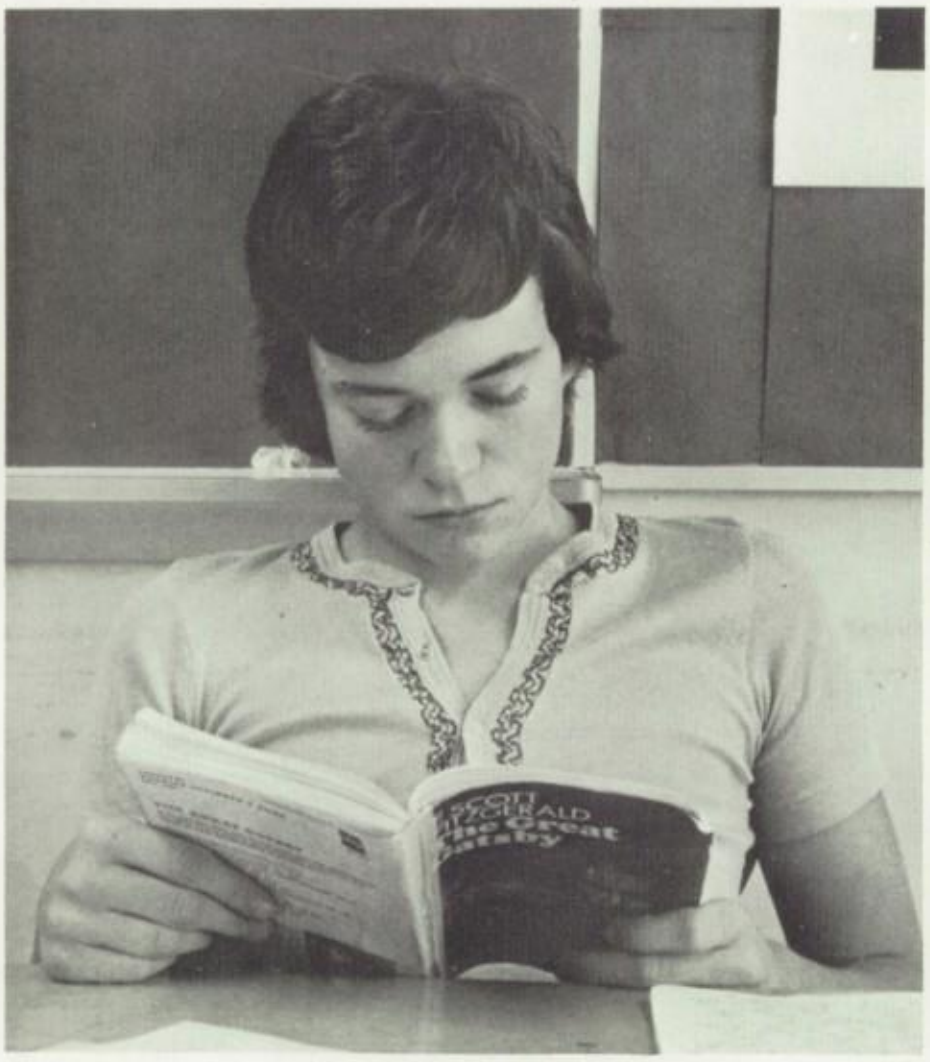
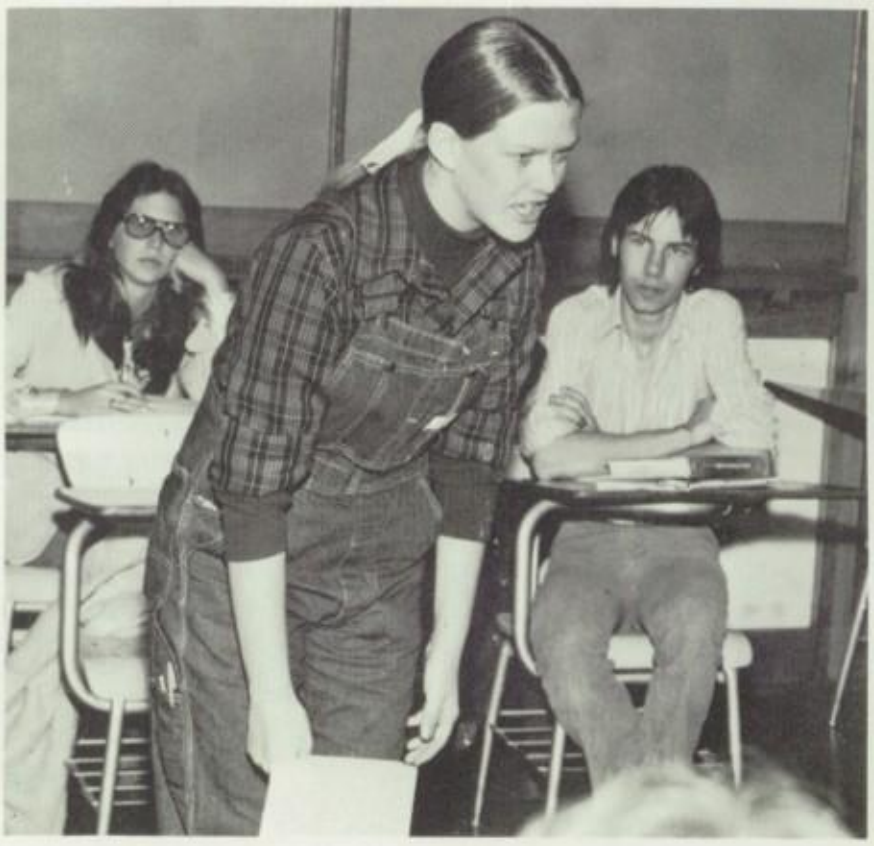
# English Is Communication



*Doug Diefenbaker is fascinated by the style of F. Scott Fitzgerald.*

English teaches people to communicate. Through writing, acting, and with the use of films, students at Dondero are taught to communicate in every possible way.



*Chris Ward acts out a very moving play in Theatre Arts.*

*"I've got an open mind, and I'm willing to to learn," says Bonnie Christopher.*

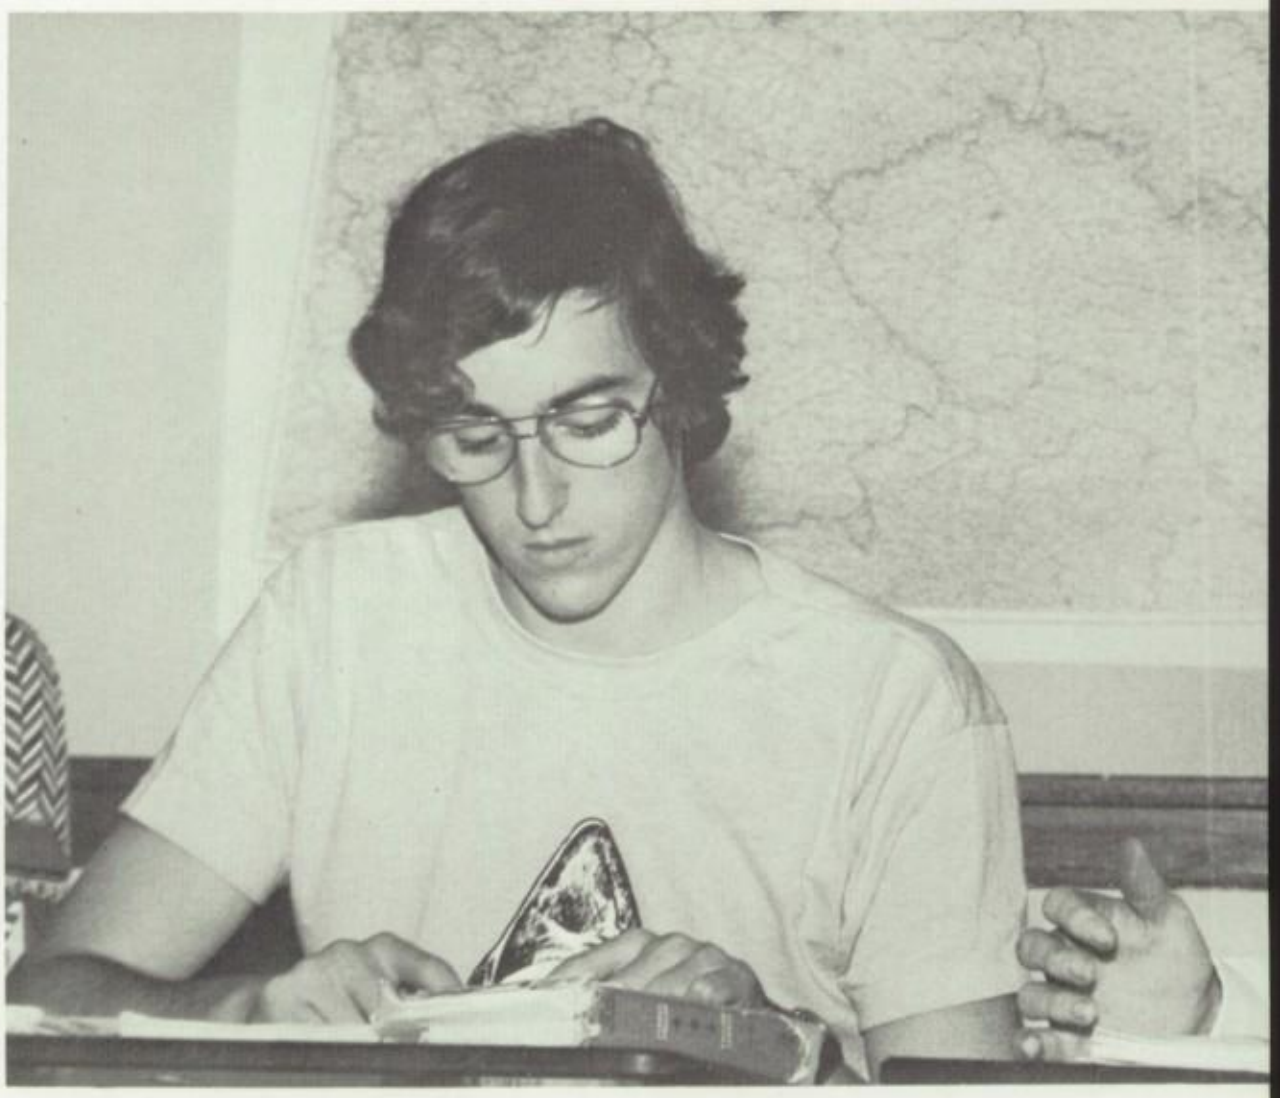
# Languages—Widen Our World

Language is the most elaborate and efficient way of communicating.

Language is an effective means for the expression of thoughts, ideas and feelings. Among human beings, ideas are conveyed by words, by expressive gestures, eyes, signs or symbols.

Foreign languages offered here are: French 1-4, German 1-4 and Spanish 1-4. This year, an advanced placement class was organized under the instruction of Mr. Horton.



*"Hey Phil, What's this word?" Dave Hirsch asks Phil Gardner in German.*

*"Let's drink and be merry!" says Chris Hoolehan; as he shows a German beer cask.*

*Mr. Horton sits surrounded by his German 3 class.*

*"Here I am," says Cathy Guarino in Spanish, as Mary Quarles tries to understand.*

# Science: Discovering Knowledge

"Science is knowledge gained from the study of the behavior of Nature."

Our science department offers a wide variety of courses. Among those are: Astronomy, Life Science, Biology, Chemistry and Physics.

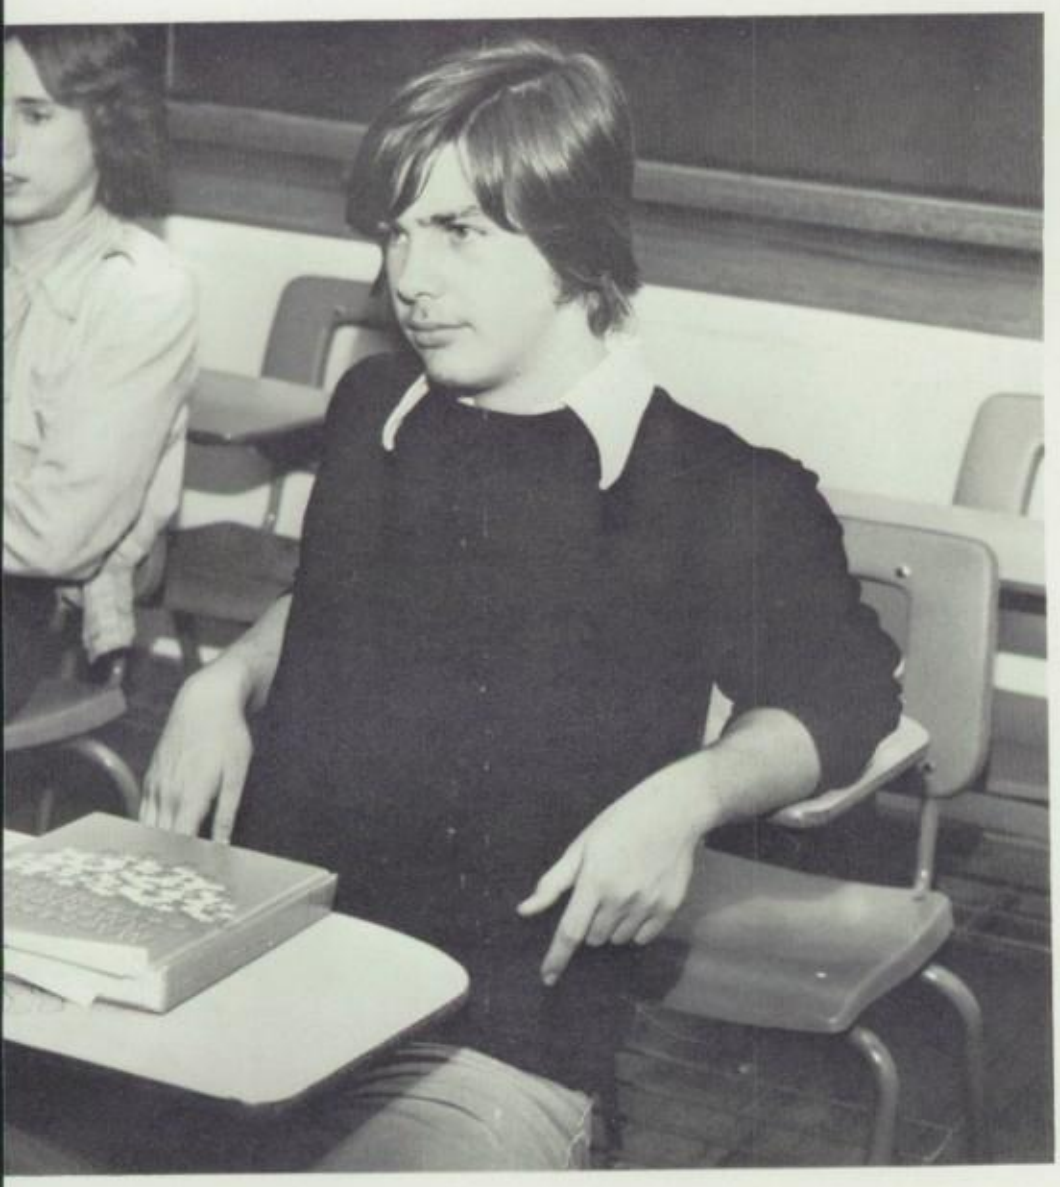
*"People actually live there?" asks Melanie Duncan and friends.*

*"This is Africa," says Mr. Voegtler to Joe Marentette.*



*Tom Paxton daydreams in American Govt.*

*"Wow are you cute!" says Barb Van Wyck.*

The Social Studies department is one of the largest at Dondero. Included in this department are: Model Government, World History I and II, Urban Patterns, United States History, History of Religion I and II, Sociology and Economics, to name just a few.

One can learn and study religions, human problems, military strategies, national, state and local government and many other subjects.

"Liberty cannot be preserved without a general knowledge among the people."

The Learning Lab is under the supervision of Mrs. Pearce and Mrs. Hoolehan, along with other faculty members.

Students are given individual assistance in reading. Visual filmstrips are available as well as tape recordings and previously taped television programs.

After receiving their class-room assignments, students complete their work in the pleasant atmosphere that the Learning Lab provides.

Ninety-six active marchers, eight flags, two unbending directors, one drum major and a handful of reserves make up an excellent marching band.

The Marching Band has been very busy all year, they have hosted the 5th South-Eastern Marching Band Festival. On Nov. 16 the band went to the Detroit Lions Football game and played to a near capacity crowd.

The marching bands final performance will be at the Muskegon Seaway Festival. The Marching Band will march and the Symphony Band will perform to try for the first place award.

This years big show was titled "Americas Past on Parade". The shows music was written by Jim Curnow and the movement was designed by Joe Parker.

Art classes were very busy this year. They made several projects which included 3-D animals, paintings and drawings.

The Art Classes put their works in the mainhall showcases several times this year. Their works were also shown after the band concerts in the art rooms.

There are Art Classes from first to sixth hour everyday. This includes Art I, Art II, Advanced Art and Crafts. Once a week the Art Club meets and makes some special works of art.

# Simon Makes a Prisoner of the Drama Club

The Dondero Drama Club presented "The Prisoner of 2nd Avenue" on November 14 and 15.

The story focused on Mel and Edna Edison. Mel is unable to cope with the problems of New York and upon losing his job has a nervous breakdown. Edna, his wife, has to get a job to help out.

When Mel's family (Harry, Jessie, Pearl and Pauline) comes to help out, everything ends up in total chaos.

At the finale, Edna loses her job and Mel gets what he has always wanted . . . revenge.

Mrs. White and Mr. Quesnelle both did a superb job at directing, while Barb Firman, student director and stage manager, did an equally good one. Cindy D'Arca was the assistant director.

# 'Trauma' Club Produces Two Plays

Between "Prisoner of 2nd Avenue" and "Oklahoma" the Drama Club has had a very busy year. The cast and crews had a lot of responsibility in both of the plays and pulled everything off successfully.

A good time are the only words which truly describe what goes on in the Drama Club. The cast parties, the set-crew meetings and the dress rehearsals were truly nothing but good times.

Remembering back to the times when Mr. Quesnelle knocked over a can of stain and then stepped in it, snowball fights during dress rehearsals, plotting to put jello in the pockets of Richard Goodwin, and best of all T.P.ing everyone's houses.

Be prepared for the names of this year's officers: President is Barb Firman, Vice-President is Richard Goodwin (once again), Secretary is Loni Pryce and Historian is Ron Shaw.

# One Class Does Something Constructive

This year the Home Construction class, which is offered to students at both Dondero and Kimball, built a two-story house on Vinsetta Avenue in Royal Oak. Construction on the house began in September and continued through the school year until completion in June. A morning crew and an afternoon crew worked three hours a day on the house. Classes at SEOVEC designed the interior.

Last spring MCC members journeyed to Toronto by train to visit Ontario's famous Science Center.

The main activity of the group is the blood bank held every spring, where members are allowed to asisst the nurses. This year they also participated in a Mock Disaster.

The club has set further goals for the remainder of the year. They intend to have more speakers, tours and are planning another trip to Toronto and also to Chicago where they will visit the Science Museum.

## Kimball Clips Dondero In Season Finale, 20-19

by Jay Dunstan

Dondero's dream of an unbeaten season failed by the margin of one point, as they fell short to Kimball November 7, 20-19. Mario Yamarino's 67 yard punt return turned out to be the winning points, even after Dondero's fourth quarter rally.

A Dick Lewis to Steve Grant pass of 15 yards opened the scoring in the closing moments of the second quarter. Lewis then passed to Grant for the two-point conversion, making it 8-0. But, John Wines, filling in for the injured Tom Carr, drove Dondero 64 yards in just fifty-two seconds, the final 20 yards on a pass to Bernie Frait, and then hit Don Gmelin with the two-point conversion, making it 8-8 at the half.

With four minutes left in the third quarter, Lewis to Grant passes set up a nine-yard touchdown run by Paul Stark, making the score 14-8. Then, with only a few minutes elapsed in the fourth quarter, Mario Yamarino returned a Dondero punt 67 yards for a touchdown, giving Kimball a commanding 20-8 lead.

However, Tom Carr re-entered the game, and promptly threw a 42 yard touchdown pass to Don Gmelin. Sawchuk's conversion kick made the score 20-19 with about eight minutes left.

Dondero, which on its first drive of the game, was stopped inside Kimball's one-yard line on downs, was again stopped inside the one and turned the ball over to Kimball. After Kimball failed to move the ball, Lewis ran the ball out of the end zone for a safety, making the score 20-17. Pinned deep again, Lewis ran the ball out of the endzone for a second time, making the score 20-19, with only 11 seconds left. A last ditch pass to Frait didn't go, and Dondero had suffered its first loss of the year. That eliminated the Oak's chances at the playoffs, despite Southwestern's victory over Cass Tech, knocking Dondero out of any play-off possibility. The Kimball win made the series between the two teams 8-8-1, in favor of Kimball.

# Kimball Game Leaves Our Fans Stunned

One point, two safeties, and a disputed de[illegible] of the game penalty. That's the way most people here viewed Dondero's 20-19 defeat at the hands of Kimball.

I personally thought, even though our team lost, that it was the most fantastic game ever played between two high school teams. Sure, there are plenty of upsets in all different kinds of sports. But November 7 was something that will long live in the memories of both schools.

One special aspect of the game was that there were no serious incidents leading up to the kick-off. The administrations and students of both schools did a marvelous job in keeping the harmony between the two rival institutions. Of course during the game there were a few minor incidents, but you will find that happens at nearly every football game.

I do however strongly object to the administration denying the student body a pep assembly. The administration owed it to the players at least, not to mention the students.

Another great feeling I had during the game was the reaction of the Dondero fans after Kimball's Ken Yamagiwa scored on a punt return. The Oak fans didn't sink into their seats, they sat up, cheered, and I believe they knew that even behind 26-8, Dondero was going to give Kimball a run for their money. John Wines did a tremendous job in the time he played. Considering John didn't play much during the year, and no one can say it wasn't tough on him going in cold in the biggest game of the year, it became evident that the offense was geared for Tom Carr, and when he re-entered the game, the fans gave him a standing ovation, and then waited patiently for him to get to work.

Before the fans had even re-settled themselves in their seats, the score was 26-15, Carr adding all state candidate Doc Gmelin for a 42 yard touchdown. Coach Ottis elected to go with Sawchuk on the extra point, leaving a situation which if Dondero was to score a touchdown, they would lead 21-20.

Even after Kimball quarterback Dick Lewis had run out of the end zone twice for safeties, the Dondero fans still had hope that something like a miracle would happen. But when the time had run out there was a sudden stillness in the Dondero stands, perhaps shock or just disappointment.

The game didn't end until the final gun. Everybody knew that anything could have happened and they still probably do.

"Saying the 1975 Varsity Football Team performed well is an understatement. Ranked as high as 6th in the state in some polls, the Oaks went undefeated until the last game with Kimball. Although some of the players received more acclaim than others, the players themselves know that there were no superstars on the team. From this thinking, a total team unity was formed. Less than a yard from a 9-0 season, the Oaks never quit making the Kimball game one of the most exciting games this school has ever seen."—Tom Carr

*"One thing about this season is that we made some good teams look mediocre".*

*Coach Barich*

*Tom Carr drives to the hoop to shoot!*

The Dondero Varsity Basketball Team finished the season with a disappointing 9-13 record. The season was unpredictable as the Oaks were able to beat a tough team like Oak Park and lose to a supposedly weaker opponent, Troy Athens. Another adversity of the Oaks was having to face two of the top ten teams in the state four times.

Coach Barich juggled his starting lineup, but more often than not the starting five consisted of seniors Tim Luke (also the team's most valuable player), Jim Colson, Roger O'Connell, Al Otto and Tom Carr.

Individual awards went to Debbie Clary, 3rd place and Kim Robertson, 5th. This was their ticket to Grand Nationals in Lansing. The squad placed 10th in nation, and Kim Robertson took a 7th place individual. They cheered at the U of M-Missouri game and also took 5th place at Oakland, Macomb and 1st place at Kingston Competition. GOOD JOB!

Wolfe, with three years to go, led the tankers this year with 130 points, nineteen firsts in twenty-five races, and is a very talented young swimmer. # Homecoming 1975

The evening of October 24, 1975 was the date set for Dondero's Bicentennial Homecoming. It was a memorable evening for all — especially Darlene Abraham. The senior class chose Darlene as the 1975 Homecoming Queen from her court of: Lisa Anderson, Susan Karr, Joanne Pominville, and Wendy Powell. With a Bicentennial theme in mind, the seniors constructed their float "Declaration of Victory" and once again came in first place in the float contest. Yea Seniors! Congratulations Darlene.

# '76 Senior Officers

Their responsibilities began last spring with planning the 1975 senior prom. Then with September rolling around, the football season began and the senior officers were off and running, getting volunteers, candy, etc. for the concession stand. Next, came the planning of the senior trip—this year the class chose the Bahamas. Among these things, the officers have provided great bands for the mixers and have also counted thousands of ballots (Mock election, class of "77" officers, etc.). One could never comprehend the work of these people—all we can do is thank them for their endless dedication and a memorable senior year.

*Juniors on the munch at lunch!*

"As the coach of the J.V. baseball team, I think I could say that the 1975 team did an exceptionally fine job.

As Freshmen these boys left the season with a 1-11 score, but this year they pulled up the final season score to 6-6.

These boys will make a fine contribution to the Varsity team."

# Administration Works Hard To Make Dondero Run Smoothly

The Administration has worked hard all year to develop a close relationship with the students. It is not unusual to see Mr. Martin, Mr. Race, Mr. Butler and Mr. Chynchuk walking the halls trying to get to know the students better. Dondero thanks the staff for a job well done.

*Mr. Martin, Principal of Dondero.*

*What's up, Mr. Boyd?*

*Always busy is Asst. Principal Mr. Race.*

*Hard at work is Mr. Chynchuk.*

# Dondero Salutes Mrs. Miller

For over 3 decades she has roamed these halls, sat behind her desk, and told her Finnish jokes. She's been teaching 37 years. 32 of them in the Royal Oak School district. Mrs. Miller has retired. No one will soon forget her daily quizzes, her 5 dollar words and her witty quotes. Royal Oak Dondero salutes Mrs. Miller. We're going to miss her.

*DESIDERATA*

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ❧ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ❧ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ❧ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ❧ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ❧ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ❧ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ❧ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ❧ ❧
